

Name: **Joe-Elie Salem, MD, PhD**

Education:

2017-2018: Vanderbilt University Medical Center – Nashville, Tennessee, USA
Visiting Post-doctoral Cardio-oncology fellowship, mentorship (Dr. Dan Roden and Dr. Javid Moslehi)

2013-2016: Sorbonne University
PhD: « Precision Pharmacology: Approaches to pharmacodynamics and pharmacogenetics assessment of cardiovascular drugs »; Mentors: Pr Jean-Sébastien Hulot and Christian Funck-Brentano (INSERM, France)

2013-2015: Faculty of medicine – René Descartes University – Paris 5
Certificate in cardiovascular imaging (Cardiac CT-scan and cardiac MRI)

2010-2012: Faculty of medicine – University Paris-Est Créteil Val de Marne
Certificate in echocardiography

2009-2013: Faculty of medicine René Descartes – Paris 5
Intern, Residency and Fellowship in cardio-vascular diseases and clinical pharmacology – MD degree obtained in 2013

2009-2010: Faculty of pharmaceutical and biological sciences - René Descartes University
Masters in Pharmaceutical Sciences - Clinical and preclinical pharmacology

2007: Sorbonne University
Certificate of Applied Statistics in Medicine – Options: Epidemiology and clinical research

2006, 2007: Columbia University (New-York, USA) and McGill University (Montréal, CANADA) Medical student Summer Rotations

2003-2009: Faculty of medicine - René Descartes University – Paris 5
Medical student

- **State(s) in which licensed:** France, N° RPPS: 10100532083 (2013-Present)
- **Specialty board(s):** Board certified in cardio-vascular diseases and clinical pharmacology (2013-present)

Academic Appointments:

- Assistant Professor of Medicine – Department of Pharmacology – Hopital Pitié Salpêtrière, Sorbonne Université (Paris, France): 2013-2017
- Associate Professor of Medicine – Department of Pharmacology – Hopital Pitié Salpêtrière, Sorbonne Université (Paris, France): 2018-Present
- Adjunct Associate Professor of Medicine – Department of Pharmacology – VUMC: 2018-Present

Hospital Appointments

2013-2017: Assistance Publique – Hôpitaux de Paris – Paris, France

* Assistant Professor – Assistance Publique – Hôpitaux de Paris, France

* Executive assistant of clinical investigation center Paris-Est, Department of pharmacology, Pitié-Salpêtrière hospital, Paris, FRANCE

* Medical consultation, calls, and echocardiography, Department of cardiology, Pitié-Salpêtrière hospital, Paris, FRANCE

2018-Present: Assistance Publique – Hôpitaux de Paris – Paris, France

* Associate Professor – Assistance Publique – Hôpitaux de Paris, France

* Executive assistant of clinical investigation center Paris-Est, Department of pharmacology, Pitié-Salpêtrière hospital, Paris, FRANCE

* Medical consultation, calls, and echocardiography, Department of cardiology, Pitié-Salpêtrière hospital, Paris, FRANCE

2019-Present: Co-director of APHP.Sorbonne Université cardio-oncology program

Professional Organizations:

- Member of the scientific and pedagogic council of National College of Medical Pharmacology (2016-Present)
- Member of European Society of Cardiology (2013-Present)
- Member of French Society of Cardiology (2013-Present)
- Member of French Society of Clinical Pharmacology (2013-Present)

Professional Activities:

- **Extramural:** Executive assistant of clinical investigation center Paris-Est, Department of pharmacology, Pitié-Salpêtrière hospital, Paris, FRANCE (2018-Present)
- **Other professional activities:**
 - Editorial consultant for JACC Cardio-oncology
 - Member of scientific council of “Thérapie” Journal (2018-Present)
 - Director of a collection of books dedicated to medical students for “Ellipses” (2011-Present)
 - Principal investigator of multiple studies : NCT02931695, NCT03193138, NCT03243604, NCT03259711, NCT03387540, NCT03413150, NCT03413176, NCT03530215, NCT02337023, NCT01807364, NCT02059538, NCT 01454232, NCT02898142
 - Co-investigator of multiples studies: NCT02411253, NCT02481453, NCT01988506, NCT02398903, NCT02466217, NCT02517944, NCT02955615, NCT01747967, NCT02980198, NCT02896192, NCT02716818, NCT02602691, NCT01966887, NCT02431234, NCT02292121, NCT01627665, NCT02380391, NCT03062904, NCT03393793, NCT03209674, NCT03447964, NCT03480529
- **Special awards or recognition for professional activities:**
 - Prizes (2017) for performing international post-doctoral fellowship to Vanderbilt University, Nashville, Tennessee, USA ; Institut Servier (23 000 eurs), Fondation Recherche Médicale (30 000 eurs), Philippe Foundation Inc (5 000 dolls), Fondation de France (27 600 eurs), Fédération Française Cardiologie (35 000 eurs), Fondation ARC (30 000 eurs), Assistance publique- hopitaux de Paris (10 000 eurs).
 - PhD Prize Winner - awarded by the French Society of pharmacology for a work in the field of experimental pharmacology (2017)
 - PhD Prize Winner - Prix Paul Chiche awarded by the French Society of Cardiology for a work in the field of clinical pharmacology and/or therapeutic (2017)
 - Thesis Prize Winner - Prix Paul Chiche awarded by the French Society of Cardiology for a work in the field of clinical pharmacology and/or therapeutic (2013)
 - Laureate of the Faculty of Medicine Paris 5 (2013)

12th Annual Meeting of Korean Society of Medical Oncology &
2019 International Conference
November 7 (Thu) - 8 (Fri), 2019 Seoul Dragon City, Seoul, Korea
