INVITATION

Dear Colleagues and Friends,

It is with great delight that we invite you to join us on the momentous occasion of the 12th Annual Meeting of the KSMO & 2019 International Conference (KSMO 2019) to be held in Seoul, Korea from November 7 to 8, 2019.

The Korean Society of Medical Oncology (KSMO) has been actively cultivating expertise in medical oncology since the foundation of the society in 2005, and has tirelessly dedicated itself to spreading knowledge and realizing the best research outcomes. Thanks to Korea's achievements and innovation in this very important field, the KSMO has decided to take a historic leap and hold its first international conference, thus opening our exchange to include European, American and Asian countries.
